

FAMILY PROGRAMMING

2020-2021

SUPPORTING STUDENTS TO AND THROUGH COLLEGE (STUDENTS & FAMILIES)

COLLEGE 101 | 2-HR

This workshop will assist parent/guardians in understanding graduation requirements and how to assist students at home. Parents/guardians will also learn about the college admissions process and finding the "right fit."

FINANCIAL PLANNING FOR COLLEGE AND CAREER | 2-HR

This workshop will assist parent/guardians on how to apply for FAFSA and acquire grants and scholarships to help pay for college.

BUILDING ACADEMIC SKILLS AT HOME

STUDY HABITS & STUDY SKILLS | 1.5-HR

This workshop will help individuals identify and acquire skills to become successful, life-long learners.

SETTING GOALS FOR COLLEGE SUCCESS | 1.5-HR

This workshop will help individuals set achievable goals for their college and career aspirations.

LEADERSHIP DEVELOPMENT

TECHNOLOGY AND ONLINE ADVOCACY | 1-HR

Parents/families will be introduced to digital learning and be introduced to online tools and how to assist students in their online learning.

INTERPERSONAL SKILLS AND STRATEGY DEVELOPMENT | 1-HR

This workshop will introduce the importance of interpersonal skills and how to develop them. Parents/families will understand the significance of family-to-family support and how to lead crucial conversations.

FAMILY & COMMUNITY SUPPORT OUTSIDE THE CLASSROOM | 2-HR

This workshop will address the parent perspective and guide parents/families on active listening skills, including how to listen without judgement. Families will learn to acknowledge challenges at home, how to celebrate successes, and how to honor differences.

POST-SECONDARY PLANNING | 2-HR

This workshop will introduce parents/families to the postsecondary options available to students and how to find the "right fit."

**ALL PROGRAMMING IS OFFERED
IN ENGLISH & SPANISH**
